Creative Dance

9:30 - 10:00

11:00 - 11:30

Pre-Ballet/Tap

10:00 - 11:00

Dance lessons in movement education and self-expression through the use of music help children separate and socialize with other children the same age. Classes will consist of structured and creative games with an emphasis on rhythm, stretching and fun.

Come dressed in your dancing gear (leotards, tutus, comfortable gym clothes, whatever suits your imagination) and be ready to move! Children may wear ballet slippers or socks with rubber treads. No street shoes in the studios, please.

Our youngest students will learn that dance is fun. Basic coordination, steps and etiquette will be taught in both ballet and tap. Teachers incorporate activities involving creative movement and imagery as they introduce beginning dance concepts.

Students should wear simple black leotards (no skirts or puffed sleeves), light pink tights, pink ballet shoes and black taps. Hair must be secured neatly off the back of the neck. Boys should wear white t-shirts, gray or black footless tights, white socks, black or white ballet shoes and black taps.
