Please arrive fifteen minutes before your scheduled time in costume and with your hair and makeup done. You must show up ready for your picture; there will be no place to change as classes are ongoing. Check with instructor to be sure you have the correct color and style of tights and the correct shoes for each dance. Be sure you know how your hair should be worn for each dance, and where accessories are meant to be attached to your costume. We are on a very tight timeframe; students who arrive late will miss their class photo. To prevent too much chaos on picture days, only students will be allowed past the front office. Only the parents of students with multiple costume changes will be allowed past the front office area.
