School-Term 2024-2025 Payment Rules

1. Please note that tuition is based on a school-term tuition annual fee (August to May). The 10 equal monthly installments are for your convenience and ease in bookkeeping. The total number of weeks (including holidays) has been calculated in determining the total cost for the term. They do not reflect the number of classes in any given month as some months have five weeks and some have two weeks.
2. First and Last Month's payments (August & May) are due upon registration. The final month's payment is refundable if proper Drop Procedures are followed. Please note that the May payment will not be refunded after February 1, 2025.
3. Monthly payments are due on the first of the month. If your monthly payment has not been paid in full by the tenth of the month, a \$30.00 late fee will be added to your account. A \$30.00 late fee will be added to each month's payment for a balance that is left unpaid. SBDC does not send out statements unless the payment is late. Partial payments will be considered late and fees will be assessed.
4. Monthly payments may be paid via our automatic credit card billing system from your credit card or debit card account. The Automatic Recurring Payment Agreement form may be picked up at registration or printed off the email, or BAND. Everyone wishing to pay via automatic credit card billing must fill out a new form for the School-Term 2024-2025 Session. Form must be completed and submitted to the front desk at least one week prior to the beginning of a new month. Recurring charges will be automatically processed on the first of each month. Please note, by enrolling in the Automatic Recurring Payment Agreement you are authorizing SBDC to charge for all costume deposits on January 1, 2025 (once your Showcase Contract has been received), as well as all costume balances on March 1, 2025 (or when costume balances become available).
5. If a payment has not been paid by the fifteenth of the month, students may be asked to sit out of class.
6. SBDC dismisses students with delinquent accounts of two months. Students may re-enroll for the current session on a space availability basis once their account is paid in full.
7. Accounts are to be paid in full (including tuition, late fees, bank charges, outstanding costume charges, etc.) in order for students to participate in the annual Story Ballet Production, Competitions, Showcase, Master Classes, workshops, or to register for a new term.
8. There is a \$35.00 fee on all returned checks. We will be unable to accept checks from customers who bounce a check during the school-term session. Subsequent payments to SBDC must be made by cash or credit card.
9. Make checks payable to South Bay Dance Center or SBDC. PLEASE PUT THE STUDENT'S NAME ON THE CHECK to insure proper credit to your account.
10. Receipts will be given to customers paying by cash only. Customers needing a credit card or other receipt may receive one upon request.
11. Showcase Participation Contracts and Costume Deposits are due January 1, 2025 for any students wishing to participate in the Showcase. Payment plans are available for families owing four or more costume deposits. Deposits are non-refundable. A \$10.00 late fee will be added to your account for each costume deposit left unpaid by February 15, 2025.
12. **You are responsible to check BAND regularly for information. If you have not joined BAND, please notify the front desk to get an invitation to join.**
13. Registration/insurance fees are non-refundable.
14. SBDC requires students wishing to add, change, or drop classes to do so by completing an Add/Drop form. Add/Drop forms can be picked up at the front desk. Forms must be completed and signed by an adult age 18 or over. Forms can be emailed to cathy@southbaydancecenter.com, or dropped at the front desk. Changes may NOT be made over the phone or verbally at the front desk. Drop forms must be submitted to SBDC one month prior to dropping the class, otherwise customer will be responsible for any outstanding balances that assess. Class Requirements

1. All age-based classes are determined by the dancer's age as of September 1, 2024.
2. All students enrolled in classes (except Creative Dance or technique classes) are encouraged to participate in the Showcase. Choreography will be done during class time. Students not participating in the Showcase may not be able to fully participate in some aspects of class.
3. Students must have teacher's permission to enroll in any level pre-prep class or higher. The Artistic Staff has the final word on evaluating levels. Please be respectful of our careful decisions.
4. Dancers placed in a level but unable to attend it for a season due to a schedule conflict (i.e. a dancer placed in Level IIB who cannot make the IIB class so attends the IIA class) will be considered the level of the class they are attending.
5. Students are encouraged to attend class on a regular basis. Good attendance is required for all students who wish to be considered for advancement and for participation in SBDC productions.
6. Students must have teacher's approval to enroll in a technique class. These classes are considered "open division" and do not have any additional class requirements. Technique classes are designed to complement traditional performance classes where choreography and performance skills are learned. To maximize progress, students should take both a performance class and a technique class.
7. Students in level IIA and above have additional expectations and requirements. A contract for all IIA and above dancers and parents must be approved and signed prior to the first day of classes.
8. Students in level IIA and above classes may have further requirements (i.e. students in ballet level IIA must be attending two classes a week; students in jazz level IIA and above must be attending a ballet class). It is important for students to keep up their technique so as not to look out of place when performing with the rest of their class. Dancers not meeting their minimum requirements on a regular basis may be re-evaluated and moved to a lower level.
9. Ballet students working at level IIB or above and unable to commit to multiple ballet classes during the week may attend one Level IC/IIA or IIB/III/IV Ballet Technique per week to fulfill their ballet requirements for jazz, contemporary, lyrical, and tap. These students will not be considered eligible to perform ballet in SBDC productions.
10. Students wishing to participate in SBDC's ballet productions must be enrolled in the appropriate level ballet class and meeting the minimum requirements.
11. South Bay Ballet Arts Company Members and Competition Team Members have additional requirements. Please refer to the SBBA Company Member contract and Competition Team contract respectively.
12. Please refer to SBDC's Class Requirements/Recommendation page for information about class requirements.

Studio Policies

1. A minimum of 5 students must be enrolled in order to keep a class on the schedule. If class is canceled we will attempt to place your child in another class/time at their level.
2. Available space in a class is given to students placed in a level prior to those taking the level below.
3. SBDC reserves the right to engage a qualified substitute teacher when the regular teacher cannot attend.
4. To protect the safety of our students, SBDC requires that dancers arrive and depart as close to the scheduled class times as possible. SBDC requires students to be picked up no later than 5 minutes after the end of their class. We are not set up to provide childcare; families with an ongoing problem following this policy may be subject to additional fees or dismissal.
5. No food or drinks (except plastic water containers with lids) allowed in the dance studios or carpeted areas.
6. Students enrolled in class for multiple hours may use the studio lobby area during their break. All trash from food or drinks must be disposed of in the outside rubbish bin.
7. NO GUM ALLOWED.
8. No running in the studios or the lobby.
9. Students should be prepared to follow the studio dress code. A student who continually refuses to follow the dress code may be asked to sit out of class.
10. It is each student's responsibility to check with his or her teacher about specific dress code requirements.
11. No jewelry is to be worn in class except stud earrings.
12. Dance shoes are to be worn indoors only. Dancers should wear street shoes to and from the entrance of the studio.

Class Requirements/Recommendations

At South Bay Dance Center, we pride ourselves on offering a wide range of dance classes for every age and level. Children may start in dance classes at the age of two by taking our Creative Dance class. Students then progress through our Pre-Ballet/Tap combination classes, followed by the choice of Ballet/Tap, and Jazz/Hip Hop when they reach elementary school age. At age 6, dancers can enroll in our 6-8 year old classes in ballet, jazz and tap.

Our progression of dance levels begins with Beginning and IA classes, which are structured by age groups. Dancers then progress into Pre-Prep, IB Prep, IB and IC with teacher evaluations at the end of the year. It is common for dancers to spend 1-3 years in a level before progressing to the next. After IC, dancers wishing to progress into higher levels attend a placement audition class held in the summer. Placement into levels IIA, IIB, III and IV is decided collectively by our staff. These intermediate and advanced levels have additional requirements and are intended for serious and committed dance students.

Class Placement – Class levels, student placement and progression

- Students are encouraged to attend class on a regular basis. Good attendance is required for all students who wish to be considered for advancement and for participation in SBDC productions.
- Dancers wishing to advance into higher levels should highly consider taking multiple styles of dance. Ballet is the foundation of all dance styles, is an important class for all serious dancers, and is a requirement for more advanced dancers. Jazz is also a great addition to those who enjoy tap or hip hop and a great way to develop strength for those who enjoy ballet.
- Intermediate and advanced dancers are encouraged to participate in South Bay Ballet Arts and/or SBDC's Competition Team. Students who participate in these programs tend to advance at a quicker rate.
- Students must have teacher's permission to enroll in any class. The Artistic Staff has the final word on evaluating levels. Please be respectful of our careful decisions.
